

CHRISTCHURCH CITY COUNCIL

Election of TWO (2) Councillors for the Riccarton/Wigram Ward

Peter YEARBURY

Christchurch City Vision

Resident of Halswell, and in business in Halswell. Self employed Funeral Director and licensed Civil Marriage Celebrant.

Committee member of the Halswell Residents Association.

Member of both Halswell indoor and outdoor Bowling Clubs.

Previous Local Authorities experience includes elected twice to Manukau City Council as a Councillor, three years as a

member of the Lyttelton - Mt Herbert Community Board, for a number of years a former committee member and Chairperson of the Governors Bay Residents Association and the Southbridge Advisory Committee.

I believe it is very important that Local Authority representatives actually reside in the area they represent. For the past three years this has not been the case in Halswell.

Being self employed with staff, would enable me to fully represent you at most scheduled meetings.

As a strongly community minded person, with considerable public experience, I am offering fair, honest and common sense representation
