

CHRISTCHURCH CITY COUNCIL

Election of TWO (2) Councillors for the Fendalton/Waimairi Ward

Rebekah HOLDAWAY

Christchurch City Vision

I am standing for Fendalton Waimari ward councillor. I believe that we live in a great ward. Christchurch is a beautiful city, we need to address some of our council spending and in doing this we need to cap rates.

I am a motivated person who wants to see our city grow I believe we need to support our community programmes and install good family morals into our community. I have had

contact with many people and there is increasing concern over issues such as child abuse and boy racers. I believe that you and I are the answer, not more laws from parliament, but supporting our neighbours, friends and family. I want to see more community involvement in Christchurch city.

A vote for Rebekah Holdaway would be a vote for someone who is like you and will represent your needs to council I believe we can make a change.
