

CHRISTCHURCH CITY COUNCIL

Election of SEVEN (7) Members of the Canterbury District Health Board

Robin BOOTH

Re-Elect Robin Booth

I'm seeking re-election to the Canterbury District Health Board. While a challenging role it can also be a rewarding one at times. Some of things I've done this term include successfully pushing for increased productivity from our public hospitals. Successfully lobbying for a greater partnership between public and private health to help lower our waiting lists. Lobbying for our Doctors who complain they're increasingly being inflicted with endless red tape and paperwork. Publicly pointing out our public health system isn't as universal as it used to be. A serious situation which is leaving many people with no access to either private or public health treatment. I was the only Board member to oppose the Fluoridation of our water supplies and oppose the Therapeutic Goods Administration Act. I've always supported better wages and conditions for our valuable health professionals to stop them leaving to work overseas.
