

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Spreydon/Heathcote Community Board

Rod CAMERON

Independent

The candidates you vote for can often be a difficult decision. Most voters know very little about them. Your vote is safe with me. As an unbiased independent I believe in common sense decision making based on sound community consultation free from party politics. If elected I am prepared to act as the voice for the silent majority. I am acutely aware of issues within the local community having lived in it for 36 years. Married 36 years with 3 adult children I have a strong, lifelong, sporting background involving cricket, rugby, fishing, rugby referees. Many years in sports administration. A no nonsense, straightforward attitude will achieve sensible outcomes to problems such as graffiti, traffic congestion, street cleaning maintenance etc, "boy racers", personal safety and priority for basic infrastructure. Please feel free to phone me on 332-3011 to discuss issues.
