

CHRISTCHURCH CITY COUNCIL

Election of TWO (2) Councillors for the Fendalton/Waimairi Ward

Sally BUCK

Experienced, Enthusiastic, Energetic Independent

An independent working for the people accountable only to you.

With a track record of getting things done, making sure residents get personal attention, responding promptly and working tirelessly to resolve issues.

Worked to: Save suburban libraries. Improve council infrastructure, urban growth/design. Increase safety.

Decrease gambling machines.

Led environmental initiatives: waste minimisation, recycling, sustainability, water quality/quantity, climate change.

I opposed large rate-rises putting forward ways to reduce these and voted against Central Plains irrigation scheme to protect our water supply.

My priorities: water quality/quantity, lower rates, more recycling, safer streets, better consultation, sustainability, trees, heritage, keeping our assets publicly owned.

Making decisions in the best interests of the community after examining facts, listening to people and especially looking at long term impacts.

Community-minded, doing volunteer work, residing locally for 25 years.

Never making a promise I cannot keep.

Always available to listen. Call me at home 3588217.
