## Election of FIVE (5) Members of the Spreydon/Heathcote Community Board

---

### **Seb PARR**

*Independent Citizens*

I'm proud to be Spreydon/Heathcote born and bred. We live in a great ward, yet there is also great scope for positive change.

My goal is to bring a fresh and dynamic approach to community representation, ensuring local issues are tackled head-on by a board that sees itself as your servant. Having served as a local school trustee, student teacher and volunteer junior coach (as well as being engaged myself), I have deep admiration for local families and proudly stand by policies that support you. I stand firmly for increased safety, taking a zero tolerance stance towards vandalism and graffiti. I will ensure a beautiful local environment with top class facilities. I will proudly work alongside professionals to tackle issues affecting the well being of our local children and young people. We deserve a ward that is the envy of Canterbury. It would be an honour to serve. [www.sebparr.com](http://www.sebparr.com)
