

CHRISTCHURCH CITY COUNCIL

Election of TWO (2) Councillors for the Spreydon/Heathcote Ward

Sue WELLS

Independent

I've loved my 9 years on Council, 12 on Community Boards. I'm 41, the youngest councillor, a mum.

I still love being your councillor. I still work hard, listen, pay attention, do my homework, make fair, sensible, genuine decisions, own up when I'm wrong.

My lovely boys are 14 and 12. Chris is in Year 10 at Cashmere High, Nick in Year 8 at Opawa School. All the decisions I

make as your local councillor, about public money, city planning, our environment, community safety, are with them in mind. In just a few years, they'll choose where to live and raise (gulp) their children. I don't want them to have to leave Christchurch to get a good job. I don't want to be forced to get on a plane in fifteen years time to visit my grandchildren overseas.
