

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Spreydon/Heathcote Community Board

Tim SCANDRETT

Independent

I have lived in this community all of my 45 years and am keenly interested and actively involved in the Spreydon/Heathcote area. I am married and we have two Primary-aged children. I was employed by the Christchurch City Council for 10 years as production manager of events and continue this involvement as a self-employed event manager.

So I know how the Council ticks. I know how fortunate we are in having services like the South Library and Learning Centre, Pioneer Leisure Centre and the Port Hill's Walk and Cycle ways. I also know it is essential for our Community to have an independent voice, a person who will individually represent you to ensure that these services are well funded and maintained ... then there's traffic and critical environmental concerns like the Heathcote River and protection of green spaces. I would be pleased to know any of your concerns -
