

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Riccarton/Wigram Community Board

Tony GIBSON

Christchurch City Vision

20.7.53

I hold the position of Environment Spokesperson for our group, Christchurch City Vision. I want to be part of restructuring council to promote a clean, safe and happy environment for the citizens of Christchurch and to promote more incentive for small business.

I reside in the Kennedy's Bush area and am married with 4 children (1 deceased) and 7 grandchildren. I am self-employed in the decorating industry and have been involved in the construction industry for over 30 years. In the early 80s I was the proprietor of a well known restaurant, The Hole in the Wall. My hobbies include showing German Shepherd dogs.

Four years ago, due to the sudden death of my son as a result of solvents being used in the workplace, I started the 'Glove Up' campaign. This is an ongoing commitment for me and has lead to my interest in the environment.
