

CHRISTCHURCH CITY COUNCIL

Election of TWO (2) Councillors for the Riccarton/Wigram Ward

Tony MILNE

Christchurch 2021

Since April 2007 my team and I have knocked on thousands of doors and hand delivered 25,000 letters to people in our area. I've met and listened to many of you. This is what you're telling me.

The Council needs to listen better, rather than threaten our pools, libraries and city assets.

Your priorities are the environment - air and water quality and traffic congestion. We need more cycle lanes, and clearways for buses. Suburbs need to be safer for families - and free from litter.

I've never been one to sit back when there is work to be done - in the public service and in youth health. I'll forcefully defend our diverse local communities.

I love our city and want a role in making it an even greater place, as a constructive, younger voice on Council.

I'm proud to be Christchurch 2021. Teams get things done.
