

CHRISTCHURCH CITY COUNCIL

Election of TWO (2) Councillors for the Hagley/Ferrymead Ward

Virginia IRVINE

Independent

Issues such as roads, rates and rubbish are important therefore it is vital that the right person is chosen to represent you at the Council table. As an Independent Councillor I will be accountable to you, not a political party. Currently I am a Research Manager with a nursing background. When my children were at primary school I was a member of their School's Board of Trustees and Secretary of the local Residents' Association. As a Sumner resident I was involved in the successful campaign stopping the Marine Tavern apartment high-rise, obviously the wrong location for such an intrusive development. I now live in the inner city and believe we should value our heritage and make Christchurch a safe and prosperous city with a healthy environment. My pledge is to work hard and consult with you to make Christchurch an even better place to live for current and future generations.
