

CHRISTCHURCH CITY COUNCIL

Election of FIVE (5) Members of the Lyttelton/Mt Herbert Community Board

Wendy EVERINGHAM

Community - First

Wendy values the amazing talents of our community. I envisage a new era of engagement with the Community Board and residents. Working together, our shared wisdom will create a more vibrant and sustainable community. Since moving to Lyttelton four and a half years ago I have worked enthusiastically for the Lyttelton community. Project Port Lyttelton is the group I have most involvement with. Working closely with residents I developed the Discover Lyttelton Project, co-coordinated Summer and Winter Festivals and helped establish the Farmers Market. These projects have helped strengthen this community and have given more people confidence to participate actively in the community.

I want to transfer this optimism to our Community Board. I think the Board has an exciting role to play fostering this spirit further and actively engaging more of us to participate in community life. I want to be on the team making this happen.
