- I do NOT wish to speak at the hearings
 I wish to speak about the main points in my submission at the hearings from 1-11 June.

For some time I have wondered whether there is a connection between cutting down trees in Rawhiti Domain/ Thomson Park and the amenities which are installed.

on three occasions I have observed that the useful logs are stock-piled and taken away.

Is there an income from this logging? Does it pay the way for the new amenities?

In that case, there is a conflict of interest, because it becomes profitable to declare the trees dangerous and in need of removal.

Please could the city Council publish accounts of the income from the logs together with the expenditure of \$10,000 on Rawhiti Domain for Community Gardens, \$5,000 on North Beach Hall?
Thank you.
