Your Submission: I am APPOSED to the skate ramp/park in Westlake Reserve my reasons are:

1. The park isn't big enough for this type of facility.
2. The noise from these parks can be heard form far away (to loud)
3. They bring troublemakers to the area. (Look at the tagging to the new "new world" windows)
4. Houses are to close. (Tagging, litter, noise, theft)
5. A number of the houses surrounding the reserve have no or low fencing facing the reserve (privacy will be greatly effected)
6. We already have to put up with the kart racing and the dog kennels noise in the area. (Isn't this enough)
7. I feel this will bring the area down and am strongly apposed to it.
8. Do we need to stretch the Police more than they are already?
9. Aidanfield, Halswell on the park, Milns estate, are all new subdivisions why wasn't something like this designed into their areas. The answer is simple it will bring the area down Westlake reserve shouldn't have to put up with this either

Suggestions:

1. Build the skate park in the Halswell Domain.
2. The Halswell domain is larger.
3. Does not have housing so closely surrounding it.
4. Closer to the shops for people using the skate park to get food and drink
5. In more of a central location for all
6. Closer to the schools.
