Dear Mr Carpenter

re: Northwood Park, Northwood.

Please find enclosed 3 separate sheets of signatures being a petition in favour of a proposed tennis court/s + any other related sports facilities in Northwood Park. I have been in contact with Kirsty Paton who informed me that there is a draughted proposal at present and that a petition in favour would be of help. I would like to suggest that any tennis court etc be positioned in the North Eastern end both for shade and distance from houses bordering the park along the Northwest boundary.

I would greatly appreciate any information regarding the progress / timing of this project which will be of benefit to this, now very large and still growing, community of Northwood.

I look forward to your reply.
