- I wish to talk to the main points in my written submission at the hearings to be held between Tuesday 1 June and Friday 11 June 2004.

I wish to make a submission in support of the proposed annual grant for the Christchurch Cathedral. The building is iconic, and as such is the image most frequently employed to represent the city. This status results in large numbers of tourists. The Cathedral therefore requires and deserves a greater degree of public funding. The proposed annual grant goes some way to satisfying this need.
