Like other years never got as satisfactory answer to comparison with Selwyn District Council

Which only charge for services supplied Library & Recreational services etc on a per Residential bases, not a valuation basis which is considerably less and fairer.

Rural don't need a lot of urban services, they provide their own

Provide their own water sewerage drainage and maintain them at a considerable cost to the farm

Last year Rates on summat Rated Property

Selwyn C.R. City

02 \$5039.95 / 02 \$4548.80

03 \$5207.83 / 03 \$4882.40

Difference \$167.08 / \$335.60

I would want a itemised statement with my rates to know where the money goes
