Your Submission:

I refer to Volume 1, page 29 of the Draft Plan, specifically, the New Indoor Multiuse Facility listed under the Proposed Major New Initiatives.

Canterbury Gymnastic Association support this proposal and would like to register an interest in the possible use of such facility as a home venue for Regional competitions. It is envisaged that access would be required for up to 7 weekends per year in the winter season, May-August. Our most important requirement would be to ensure that storage facilities are available for the necessary equipment. We would like to be kept advised of developments in relation to the proposed facility and to have an input at the design stage once a decision is made as to where the facility is to be located.
