I do NOT wish to speak at the hearings

I wish to speak about the main points in my submission at the hearings from 1-11 June.

More bike lanes, stronger punishment for hoons throwing glass,
Move toward being able to collect and recycle
organic waste from ~~these~~ residences.

More should be done to discourage unnecessary motoring and hoons.
Dogs should have to wear larger tags with the name
and phone number (or address) of the owner on them
Cats should be registered, and periodically poison should
be put down in the city (with pers kept indoors) to get rid
of wild cats.

More should be done to preserve the cleanliness of our beaches.
A portion of N. Brighton beach should be set apart for those
who want to bathe nude.

It's good to have the libraries open longer.
Parks should be kept in good order, and perhaps more
should be done so that children can get equipment to play
sports. This would be better than spending a huge
rate-payer sums on venues to be used by professional
sports-people and high-powered adult sports clubs.

Public transport should be cheaper and buses have better
defined lanes and rights at the 'expense' of the private car.

What is Kingdom Resources? I object to public money being given
to foster religious organizations, such as happened with the Muslims
at Hagley school.
