Your Submission:	<p>To Resurface PATTEN Street: Remove bumps and replace deep gutters on Eastern side</p> <p>This Street has not been resurfaced since the 1950`s</p>
Your Submission (2):	To Slow down traffic is Torlesse Street:traffic use this Street as a through street and do not keep to the speed limit and cause the residents of this street distress for their children
Your Submission (3):	RUBBISH BAG NUMBERS:our area is a less affluent area and the residents can not afford to purchase the extra rubbish bags needed. This has already shown up with person filling Rubbish tins with domestic rubbish and also dumping rubbish near tins in our area parks causing the spread of rubbish in our parks which looks a disgrace for the ``clean enviroment of the city``
