I do NOT wish to speak at the hearings

→ if you needed me to speak I will.

I wish to speak about the main points in my submission at the hearings from 1-11 June.

Our household is very excited about the upgrades to our street - Sinclair St, New Brighton. At present the street is dangerous as it is very long & wide with the old style guttering. Cars go very fast down our street. The proposed upgrade & curve of the road will slow traffic in Sinclair St & make it safer for all the children who bike & walk everyday. Also it allows us to take more pride in our community - we will contribute by ~~at~~ keeping our gardens & exterior tidy. The planting of Native trees is a perfect finishing touch to our street. We really like the use of cabbage trees.

Thankyou also for keeping the foreshore tidy. The upgrades to the 14th New Brighton Community Centre will be appreciated.

The CHCH City Council has done a fantastic job to enhance a area that we chose to live in. ~~as~~ Its so special

- New Brighton deserves the Upgrade! to us all.
