On reading the "Draft" plan 3
have noted that there is no plans
to ~~ad~~ address the "Northern Access
to Christchurch. Why?

The "Northlands" shopping mall has
been allowed to expand when there
was already an existing traffic problem.
To have allowed this complex to increase
in size with no provision for the
resultant extra traffic could only be
questionable.

Complexes such as the "Super Centre" at
"Northwoods" would have eased this traffic problem.

Please continue your submission on the back of this page. You may add more pages if you wish.
if it had been expanded instead of
"Northlands"
