<b>Your Submission:</b>	<p>Please can the overhead wiring be undergrounded in that part of Burwood Road between Mairehau Road and QEII Drive.</p> <p>Currently the Hospital end is starting to look very nice with the new subdivisions and the other end (Burwood School(New Brighton Road to QEII Drive)) has just had new trees etc. We have recently had our lighting upgraded but our section of the road looks very neglected and undergrounding would improve the entire outlook. We have plunkets, pre-schools, a primary school, three churches and Clare Park - so are a very well used section of road.</p> <p>Thank you for this opportunity to comment.</p>
