I do NOT wish to make a personal submission at the hearing, and ask that this written submission be considered.

I wish to talk to the main points in my written submission at the hearings to be held between Tuesday 1 June and Friday 11 June 2004.

Ilan road is an extremely busy road, many cars come through here to avoid going on the ring road and many people are going to the university. There are 2 schools next to each other being "Burnside primary" and "Cobham intermediate" So about 600 children from these schools use this crossing each school day. Apart from this children from Burnside High School and children from Christ the King school also use this crossing. Another problem here is ~~that~~ the bend in Ilan rd where Aorangiri meets it. I DEFINITELY think that a 40kmph safety speed zone is needed in Ilan road.

Please continue your submission on the back of this page. You may add more pages if you wish.

11  So I'm hoping and praying that for our childrens sake you'll put a 40kmph Safety Speed zone in place. After all its basically our childrens lives we're talking about here!!!
