**Your Submission:** **Do you have any comments on the major projects in our Draft Community Plan?**

1. New Bus Exchange. The present one was supposed to fulfill all our needs--what happened?
2. The Art Gallery is virtually new-why does the airconditioning need upgrading?
3. \$17.2 million seems excessive for tree renewal.

Surely maintenance of information services, ie. libraries should be of more importance.

**Do you have any comments on groups of activities (The activities and services the Council provides?)**

1. ALL libraries are needed and should remain open for the good of the whole community esp.children and older people.Educated people are more likely to become responsible citizens. ? a yearly fee?
2. I would hope particularly that the Citizens Advice Service will continue to benefit from Council support. We provide an essential service.
3. Closing libraries, community centres 7 pools,but BUILDING new "leisure centres"-WHY?????

**Do you have any other comments or suggestions you want to make?**

The Central City will never be a lovely place no matter how much is spent on it as it is a number of the people who frequent it who cause the ugliness-louts hanging around discouraging decent people from going there and the disgusting evidence on the pavements particularly at weekends as a result of the drinking to excess of alcohol.Ideally the whole of Cathedral Square should be a grassed area with no traffic, but we know that is impossible.Keep it as it is BUT clean it more rigorously..
