Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	No
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	City Development - I believe that more people would come in to the central city in the weekend if parking charges were abolished. I object to parking charges in the weekends. Malls can be visited free of charge. Recreation and Leisure – Opposed to the proposed closures of Bishopdale and Redwood libraries. These areas need these facilities to be within their own patch. Opposed to having to travel out of the area to the library. Refuse minimisation – I would like to recycle more products. e.g. Not just nos 1 & 2.
	Do you have any other comments or suggestions you want to make?
