Questions

① Do you have any comments on the major projects in our draft Our Community Plan? page number 3

New bus exchange/cost \$9.5m. The council made a disastrous decision, which it was warned against, when it put the exchange where it was and now expects the ratepayers to pay again to fix up its mistakes. Its just not on.

Christchurch Art Gallery air conditioning upgrade \$0.2m. Go back to the architect who designed the building and did not allow for appropriate air conditioning stop asking us to pay for someone elses errors

~~tree~~ renewal \$17.2m!!! you've got to be joking. planta few less and dont close any libraries. Civil Defence building \$3.6m, you've already got one.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number 4

DO NOT CLOSE ANY LIBRARIES. THEY ARE CORE COMMUNITY SERVICES and are used by hundreds of thousands of people. They provide good value for money.

DO NOT CLOSE SWIMMING POOLS. THEY ALSO ARE CORE COMMUNITY SERVICES
It is the council's task to represent their community by maintaining all core services, not to promote window dressing at the cost of these services

③ Do you have any other comments or suggestions you want to make? page number

I would suggest that the whole council take a course or two with the budget advisory service. Pay your basic bills first before you start spending on glamour items eg lighting up the cathedral / \$500000. only of benefit to tourists and a few locals, not value for our money like the libraries are.
