Questions

1 Do you have any comments on the major projects in our draft Community Plan? page number 4

No to new Bus exchange, I have used buse's since I came here 45 years ago and was quite happy the way it was before. Christchurch is over loaded with trees too many invade footpaths. Much as I love trees "He who will not economize will have to agonize"

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 4

We are already taken care of with lots of lovely walkways, pity we can't catch the vandals who rubbish them. Botanic garden's, Museum, Art Gallery, Arts centre, what more do ~~you~~ we want apart from respect from those who deface our beautiful city that includes to-days architects

3 Do you have any other comments or suggestions you want to make? page number 4

Tighten your belts and make do with your present Civic offices, before you consult your fancy think of we Rate payers purse especially pensioners and those on low wages. Most tourists like the old buildings, not to-days Monstrosities
