Questions

① Do you have any comments on the major projects in our draft Our Community Plan? page number 8/9

The reason no-one comes to the Central City to shop is that it costs too much to park and the shops are spread out. The Malls have free parking and shops are grouped under one roof. Increasing parking fees will only drive people away, therefore why spend more money on City Mall when you are driving people away. If you really want to bring people back to Centre City, MAKE PARKING FREE OR CHEAPER!! THE COUNCIL APPROVED BUILDINGS

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number 8

- Rates etc payable through postshops - about time - TOWN. there are hundreds of home owners who have to make special trip into town to pay one bill.

Are the current council offices that awful that you need to spend \$4.3million refitting them.?

③ Do you have any other comments or suggestions you want to make? page number 12

- More input from ratepayers needed on major issues - (like this document) giving into an options, then ratepayer indicates which option they prefer - therefore majority rules and we don't have projects going ahead that you public opinion then condemns. ie New Brighton Mall, Cathedral Squares numerous reincarnations.
