Instructions

Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: We are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.

Questions

① Do you have any comments on the major projects in our draft Community Plan? page number

I do not think any more money should be spent on the bus exchange. It should never have been built where it is. It is just causing too many problems with traffic and it is just a home for layabouts.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

I do not agree with the closing of any libraries or swimming pools. We have been encouraging the children to read and have books in homes, now you want to close the local libraries where most young ones go.

③ Do you have any other comments or suggestions you want to make? page number

The council has made a very good job of doing up so many of our roads and foot paths, but why did you have to spoil it by planting so many grasses, fleeces and untidy plants when there are so many colourful plants you could have used.
