Your Submission:	<p>Lake Isaac watersport facility</p> <p>Hi</p> <p>I would like to add my submission and support for a watersport facility at Lake Isaac.</p> <p>We need to encourage as many people as possible to participate in sporting activities and while there are plenty of indoor facilities, outdoor watersport facilities are limited.</p> <p>I have been involved in Triathlons for only a few years now and in that time have seen the increased difficulty organisers have with using public areas to hold events.</p> <p>A dedicated facility would benefit a huge number of people and help encourage a wide range of sports in the community.</p> <p>Thank You Phil Damen 027 5755 485</p>
