Questions

1 Do you have any comments on the major projects in our draft Community Plan? page number 4

I wonder at the need for Art Gallery air conditioning upgrade. This is a new building of doubtful design for the use. I cannot see that a new building would also need an upgrade. I also question the need for a Civil Defence building - to the tune of \$3.6 million.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 8

Libraries in Redwood + Bishopdale should not be closed. They are the most important libraries in the Northwest with a growing population. If anything, Redwood Library should be enlarged to increase facilities for all the population out to Belfast as there is no library in Belfast. If the Council is so keen to encourage knowledge, cultural + learning services (pg 7+11) it should be keeping all libraries as schools as well as older people use them.

3 Do you have any other comments or suggestions you want to make? page number 13

Sponsoring of recreational programmes. This should not be for any professional sport - ie golf tournaments; rowing facilities. These are for the elite few.

p.18. NEW bus exchange. If this is some extension of the current one, obviously it wasn't well thought out to begin with. Also for roadworks - please work these out beforehand instead of creating a street

You may add more pages if you wish. Thank you for your submission.
that is difficult to drive in - Case in point - Tuckers Road with a chicanee with a give way sign to go straight ahead (main direction) and right of way leading to a culdesac!
