Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	Lake Isaac Development. I fully support the proposal to build this lake. As a mother of Rowing Sons and a Triathlete myself, I want to add my voice to the growing swell of support to carry this concept through. What an opportunity we have to give our young something that will be there for the future for so many and varied activities.
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	Do you have any other comments or suggestions you want to make?
