

# Our Community Plan Submission Form

## Instructions

### Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: We are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.

No anonymous submissions will be accepted.

## Questions

1 Do you have any comments on the major projects in our draft Community Plan? page number 4

*Discretionary Projects - Botanica Gardens Project*

- I agree that Botanica Gardens facilities need upgrading but the amount proposed is far too high & a large proportion of visitors are tourists who do not pay rates! The amount should be reconsidered*
- City Mall renovations alone at 10.3 million, will not bring people into the city & in fact will drive away retailers if they have to pay extra rates.*

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 8

*Council's Proposals to save money*

- To save money by closing libraries (including the mobile library) is a very short-sighted & damaging move. It penalizes the elderly, those without transport, & children, all of whom need easy access to a library.*
- To increase on-street & off-street parking charges would negate efforts to bring people into the city area.*

*Both these proposals need further consideration*

3 Do you have any other comments or suggestions you want to make? page number 18

*Streets & transport*

- Encourage more cyclists by providing safe cycle lanes in all parts of Lh Lh*
- Upgrade street signage particularly in the inner city*
