| Your Submission: | Do you have any comments on the major projects in our Draft Community Plan? |
| | I would like to support the proposal for the development to Cowles Stadium. Our organisation has been using this facility for a number of years and whilst the venue is adequate for our needs to improvements will make this venue more attractive when selecting venues to use. With the increase in floor space the improvements will enable our organisation to host large events including the Pacific Health and Active Talent Festival (PHAT Festival) and inter site tertiary sport challenge. We strongly support this improvement as something that will be of benefit not only to the organisation but to the community as a whole. |
| | Do you have any comments on groups of activities (The activities and services the Council provides?) |
| | Do you have any other comments or suggestions you want to make? |
