Questions

Summary Version
pages 4 - 14

See list of major projects in the summary document

① Do you have any comments on the major projects in our draft Community Plan? page number

The Mayor has stated that we should be 'thinking of Christchurch as a city in a garden'. For the Botanic Gardens to continue to present this requires a cost to bring facilities up to world standards. New buildings for staff facilities, library, seed bank, herbarium, education research, information - places for meetings. The B.G. has a greater number of tourists than most included in the 'Cultural Precinct', we are 'the lungs of the city' and have important scientific and historical assets.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

I strongly support the plan for two capital expenditure projects.

③ Do you have any other comments or suggestions you want to make? page number 4 - 14

The tree renewal project is excellent, unfortunately most people are not aware that it is a 'ten year' project.

Many rate payers have connected the Botanic Gardens \$11 Million with a visitors/information centre only - rather misleading.
