Questions

① Do you have any comments on the major projects in our draft Community Plan? page number

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

I would like the Council to retain the outside pools as they are an important way of building community and being accessible for people who don't have the means or transport to travel to larger indoor pools. With the future of water and oil under threat, local amenities such as these pools will become even more critical for the community. I thought the Council was hoping to push regeneration of the inner city - having these outdoor pools would be an important feature to encourage such redevelopment.

③ Do you have any other comments or suggestions you want to make? page number
