Questions

1 Do you have any comments on the major projects in our draft Community Plan? page number

I feel the expansion of waste water plant 8.1M & Biosolids Drying Facility 23.2. New Bus exchange 59.5 M. Tree renewal 17.2 M ~~was~~ New fit for Civic offices of 4.38.M and Civil defence Building 3.6 M. are all projects that do not need to be done. reasons below ^{also} libraries Not lost.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

1) This is extra money you have already updated the WWTP.

2) Today the waste is uneconomical at this price for ratepayers, we normally dump it this is cheaper. you just want to make money by selling the waste. you should not be dumping waste fresh water at sea also.

3) I count hundreds of Empty Buses each week with distress at the stupidity of the decision makers. People will never use Buses in chch, we are a car city. large Buses must be removed and shuttle Buses on a pick up anywhere Buses bought in with \$1.00 max to take you where you want within that allocated zone.

3 Do you have any other comments or suggestions you want to make? page number

4) Trees do not need renewing they need management pruning & caring for.

6) we have a Civic office that just needs caulking around the windows. New fit out only if we keep the old building.

Absurdity of Civil defence Building
as we have one already. No library should be closed it is the one small bit of our community that you have allowed us to keep.
