Questions

① Do you have any comments on the major projects in our draft Our Community Plan? page number **4**

To even consider building a Civil Defence structure is preposterous.
Ecan already has this facility & both CCC & Ecan should stop
being so pedantic & learn to work together & maximise existing
facilities.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number **4**

We believe it is totally irresponsible to close existing libraries.
High Petrol costs will make it very difficult for MANY families to travel a further
distance other than their local library. Also mobile library - a very
valuable facility that MUST continue.

Increasing parking building & on street parking costs will further deaden
the inner city. On street parking should be FREE for 1st hour to encourage
shoppers in to inner city, & parking buildings should remain the status quo.

On One hand Council is encouraging inner city shoppers get proposed plans will
keep us all shopping in malls. A waste to upgrade city mall if no-one knew
to appreciate it.

③ Do you have any other comments or suggestions you want to make? page number **4**

STOP wasting money on expensive overseas consultants &
use the talents our city already has!

Floral festival apart from baskets in Worcester
Boulevard & floral carpets cathedral was a
non-event. Where has our garden city
image gone! A visitor to check in the summer
would find that image laughable!
