Questions

① Do you have any comments on the major projects in our draft Our Community Plan? page number **79**

I Would support reconsidering priority of "Gymnastics West side" with a Real Need of (3) and exponential projected growth of gymnastics for children + youth population of Chch, gymnastics is seen as a safe, all weather activity by parents/caregivers.

Recommend moving need for new facility up the list. Urgency of (3+)

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

There is a shortage of indoor facilities in Chch West with increasing population in the same area. With pressure on existing facilities (both council & private clubs) there is a real need for a new gymnastics facility in Christchurch to service both current and future growth trends in the sport

③ Do you have any other comments or suggestions you want to make? page number

SPARC identifies gymnastics as a core sport in providing opportunities for Christchurch community members to become 'active' in terms of the NZ government initiative.
