## Questions

See list of major projects in the summary document

① Do you have any comments on the major projects in our draft Our Community Plan? page number

It would be difficult to imagine the closing of libraries in our area. We live in Northwood and if Redwood goes - its going to be a long trek to the nearest library. It would also be very difficult for the elderly in the area who need facilities that are community based and close.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

Less sport More decent Art exhibitions

at our beautiful exhibition otherwise the city is well endowed with "activities" (also more family orientated activities is important)

③ Do you have any other comments or suggestions you want to make? page number

There is so much wrong with Christchurch especially the city. I work in C.C. city and over the months have grown to "feel the centre of town quite horrible". The Square + Cashel Mall definitely needs upgrading. (Its such a shame the city attracts many low-life)
