Your Submission:	<p>Do you have any comments on the major projects in our Draft Community Plan?</p> <p>Fit-out for new Civic Offices: \$4.3 million; This proposed spending of tax payers money cannot be justified given the services the council wishes to cut such as libraries. Perhaps council should take a walk around some of Christchurch's schools to see what facilities teachers in state schools 'enjoy' before requesting better facilities for themselves.</p> <p>Ocean outfall pipeline plan 2009: I strongly support this proposed project to allow recreational users to use the estuary Ferryemad, Redcliffs and Sumner without being affected by the pollution that currently prevents me from enjoying this area.</p> <p>Do you have any comments on groups of activities (The activities and services the Council provides?)</p> <p>Do you have any other comments or suggestions you want to make?</p> <p>I strongly support proposed cycleway and pedestrian works; as proposed in the Metropolitan Chch Transport Statement (MCTS) these need to be accelerated from their current rate of progress.</p>
