## Questions

① Do you have any comments on the major projects in our draft Community Plan? page number

As a resident of Christchurch and a traveller to overseas cities I am constantly amazed by the large mature trees cherished by cities in other countries.

Here in N.Z. we seem to allow them to be cut down for dubious reasons before they

get very large.

I protest against the felling of trees in St James Avenue. There are not many streets with trees of that quality.

Street trees are not cherished or respected by the council. The trunks are concreted or sealed around, or if the road is a country road with no guttering, then a guttering is built between the

tree and the road to prevent the road water reaching the tree - how crazy is that... for example STYX MILL ROAD.

Don't cut a tree down if one resident wants it down plenty want to keep them up. I heard a lady only wanted her tree trimmed and the council felled the entire tree!

## Questions

1 Do you have any comments on the major projects in our draft Community Plan? page number

I am writing as a resident of Belfast previously of Redwood. I have had children go to Redwood School, Casebrook Intermediate and Papanui High School

I am protesting the proposed closure of Redwood library and the mobile library to Belfast.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

It <sup>(Redwood)</sup> is a well used library by the community and the mobile library is enjoyed by the Belfast community - especially the elderly and the Salvation Army residents.

The redwood library is a superb library with good parking and location. The staff are always cheery and helpful.

3 Do you have any other comments or suggestions you want to make? page number

Spend less on Council edifices - the new offices, and the new Bus transfer station.

Why do buses have to drive thru a building? What is this - the London underground?

## Questions

① Do you have any comments on the major projects in our draft Community Plan? page number

As a resident of Christchurch, a driver of 29 years, and an engineer, I am protesting the amount of traffic calming structures that are getting put in all sorts of suburban areas and causing traffic to remain in a few arterial roads, causing overloading and traffic jams.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

Stop the judder bar population explosion!

Stop messing about with Cathedral Square leave it alone for a bit!

No new bus exchange - put bus shelters on the roads - The bus exchange is a den of crime.

③ Do you have any other comments or suggestions you want to make? page number

- More pedestrian crossings like Northlands on Langdon's road outside Priscoes.  
- Put them outside schools (as above)  
I can't believe that the council refused to put crossings outside schools!
