## Questions

① Do you have any comments on the major projects in our draft Our Community Plan? page number 4

Is it reasonable to suggest the New Civic Building is not an essential project? I do not see mention of it except the cost related to the 'fit out'.

On P.14 Botanic Garden Development \$10.8M, but on P.4 BGD \$11.1M. Why is this different?

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number         

P.10 We applaud the continuation of community funding that groups can apply for.

P.10 The Council needs to remunerate workers in childcare centres at an adequate rate (recognising the competition for skilled/qualified employees, required under the law) for the three centres it will operate.

P.10 City Housing needs to be listed as a strategic asset. It is for review (2006/07) and it should be retained to provide for the people who are most vulnerable.

③ Do you have any other comments or suggestions you want to make? page number         

P.13 How does the relocation of 40 skilled migrants (only 40) significantly affect economic development. If the economy is going well then many people would like to relocate themselves here. What is the cost of this? \$400K perhaps.

P.13 Achievement activities appear to be those that CDC would have a role in fulfilling. Why is there proposed funding reduction to CDC?

You may add more pages if you wish. Thank you for your submission.
