See list of major projects in the summary document

1 Do you have any comments on the major projects in our draft Our Community Plan? page number pp. 222.

The term zero waste should be dropped. Waste minimisation is a worthy aim. In recycling, composting, and following all procedures, BUT there's no way in going to achieve zero waste! Kate Valley needs urgent attention - I hear it's going to fire up far quicker than planned! What went wrong with the projections? Investigate producing energy from waste.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number p. 74 - good to have walkways receiving high priority. We need to get out & keep fit. Park HUs BMX tracks are also a great asset. Keep it up!

3 Do you have any other comments or suggestions you want to make? page number p. 4 Summary. I maintain council projects should prioritise core business - water, sewage, waste, curbing & roads, parks & recreation. Why consider re-amping the central mall, when building permission has been given to suburban expansion areas like Belfast night centre? (I know this a targeted route) Re-amping will only temporarily bring business into the centre. Getting more people to live in inner areas is likely to be a better catalyst
