## Questions

① Do you have any comments on the major projects in our draft Community Plan? page number

All community outdoor pools should be kept open. They provide children + families with a safe + active way to spend their leisure time over the long summer / Xmas break. They are a fun, family, social environment which must be protected for future generations.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

Don't take away our choices! Not everyone wants an indoor pool. Personally, I think they are hideous & I would NEVER go to one.

③ Do you have any other comments or suggestions you want to make? page number

~ Indoor

"mega pools" are not the answer. Smaller pools provide a greater sense of community as they attract "local" swimmers + children, who get to know each other.

An outdoor pool is also much more fun than an indoor one that is noisy + stinks of chlorine!

Outdoor pools are an institution of NZ life, which should be jealousy guarded!

You may add more pages if you wish. Thank you for your submission.
