	The funding for the construction of the Southern Arterial Motorway has not been included in the LTCCP. Transit has stated that they will not construct the Southern Arterial Motorway until 2013/14. The Southern Arterial is a crucial component of Christchurch's planned expansion and continued prosperity. As such the funding for the Motorway should be included in the LTCCP as an essential project. In addition the access ways on and off the motorway should also be included as an essential project.
	<b>Do you have any comments on groups of activities (The activities and services the Council provides?)</b>
	<b>Do you have any other comments or suggestions you want to make?</b>
