**Do you have any comments on the major projects in our Draft Community Plan?**

I am writing this submission as the teacher in charge of sport at Papanui High School. In order to get funding for our 'sportfit co-ordinator' Papanui High School has to adhere to specific criteria supplied by 'SPARC', one of these criteria encourages our school to incorporate as many community venues and resources into our activities as possible. Due to time and money constraints this is often something that is hard for us to do. With the new aquatic centre near by our sport students would benefit considerably as these travel cost and time constraints would be minimised. Please take this into account when considering the new aquatic facility, Regards Rachel McConnel

**Do you have any comments on groups of activities (The activities and services the Council provides?)**
