<b>Your Submission:</b>	<b>Do you have any comments on the major projects in our Draft Community Plan?</b>
	No
	<b>Do you have any comments on groups of activities (The activities and services the Council provides?)</b>
	Yes. I am strongly opposed to the closure of Edgeware Pool. This is a superb outdoor facility which is a significant asset to the community around it. My son has had swimming lessons there for the last two summers and has greatly benefitted from the pleasant fresh air environment of this pool. Outdoor pools are much healthier than indoor pools where you are confined in a thick, warm fug of chlorine. Retaining Edgeware Pool would contribute to two of the Community Outcomes set out in the Community Plan for 2006 - both Health and Recreation. Its loss would be a major blow to the health and well-being of many members of the community - both adults and children.
	<b>Do you have any other comments or suggestions you want to make?</b>
