Address:	Christchurch College of Education Dovedale Avenue Ilam Christchurch
Your Submission:	<p>Do you have any comments on the major projects in our Draft Community Plan?</p> <p>My concern relates to the non inclusion of the previously recommended flat water facility "Lake Isaac" in the Draft community plan.</p> <p>I request that the funding allocation of \$11 million for a flat water facility be reinstated in the Long Term Council Community Plan.</p> <p>Do you have any comments on groups of activities (The activities and services the Council provides?)</p> <p>As the Canterbury Secondary Schools' Sports Director, I am aware of and concerned at the lack of a suitable and easily accessible, flat water facility in or very near Christchurch.</p> <p>Many (Hundreds if not thousands) Canterbury School students are actively involved in a large number of aquatic based activities and would greatly benefit from a facility such as the one proposed.</p> <p>As well as the aquatic benefits of this facility there are many other Secondary School Sports; Triathlon, Road Running; Cross country; Cycling etc that would benefit from the facility. School Sport Canterbury currently organises competitions in all of these sports, and would love to have a resource such as the one proposed, available to use.</p> <p>Do you have any other comments or suggestions you want to make?</p> <p>Hagley Park is the 'soul' of Christchurch City.</p> <p>For the past 100+ years thousands of Canterbury citizens has benefitted from the vision of our forefathers in creating this Park. It is time that we created an new enduring facility to leave for the benefit of our future generations.</p> <p>While I have indicated that I am completing this submission for myself, I do in fact represent approximately 25,000 Canterbury Secondary School Students and Teachers.</p>
